(notes & tips)...

- 1) be sure to fill out all necessary contact info. on your luggage tags.
- 2) it's always a good idea to pack liquids in small plastic bags to avoid leaks.
- 3) don't forget to check your passport expiry date and that you have a valid visa (if needed).
- 4) weigh your luggage before you leave just to make sure that none of them are above 30kg.
- 5) you may want to mark your luggage to easily distinguish them from similar bags (if you feel it is necessary).
- 6) just to be sure you have everything, check your list and notes twice!
